

KIRKCALDY AND COWDENBEATH REPORT

Methodology:

- Survey of n=400 respondents with a max margin of error of +/-5.0 percent at a 95 percent confidence interval.
 - Respondents were Kirkcaldy and Cowdenbeath residents and eligible to vote in UK General Elections.
 - Minimum quotas set by age, gender, region, education, occupation, tenure and ethnicity, and data weighted where necessary to ensure it is representative of the constituency.
 - Telephone poll on 10th September.
 - Soft voters are those voters who are undecided or likely to change their mind. They are the key group of voters that will decide the election outcome.
